EYEYAH!

TEACHERS' TOOLKIT OVERVIEW

ISSUE 01: **INTERNET**

Introduction

Each toolkit is a collection of 10 - 13 thought-provoking artworks supported by talking points and activities. Worksheets, slides, animations and activity resources are all available with the toolkit. Each toolkit also has a handy chart that identifies which classes each artwork could apply to in the MOE and IB syllabi.

Approach

A 'SEE, THINK, WONDER' approach is laid out for every artwork to spark conversation in the classroom and generate child-led learning. Each artwork ends with a 3,2,1 reflection for students to consolidate everything they have learnt and reflect on what to do with their new knowledge.

[EXAMPLE]
SEE, THINK, WONDER

What do you SEE?

- Can you see what the family is doing during dinner?
- What else can you see from this artwork?

What do you THINK about what you see?

- What do you think this artwork is about?
- What do you think is happening to the family's faces?

What does the artwork make you WONDER?

- Do you wonder why the artist created this artwork?
- Do you wonder if your family is like that?
